KAPLAN) IT LEARNING | Collaborate to Create. Achieve Proven Results.

Atlantic Link™
now also as SaaS*

What is Atlantic Link?

Atlantic Link's trio of Content Point, Capture Point and Knowledge Point, offers the world's most technically advanced rapid eLearning software, providing companies and individuals with huge productivity boosts and the freedom to collaborate from anywhere they are inspired.

Use Atlantic Link to create stunning eLearning courses, wherever you are, and do so in hours instead of weeks!

From training to courseware, Atlantic Link will create any kind of eLearning content, making it the only eLearning solution you'll ever need.

Collaborative Rapid eLearning - when you want it, the way you want it... ...with SaaS!

- **S**imple
Full deployments of Atlantic Link applications set up especially for you

- **a**ffordable
Low monthly cost; no upfront capital investments

- **a**ccessible
Instantaneous access to a complete eLearning solution from anywhere in the world

- **S**ecure
Internet-based access with secure logins

*Software as a Service lets you "rent" software, rather than buy it. Access all features online, and pay only a low monthly fee. Availability differs by region.
