### Featured Companies

**TWNkey Symbol:** SWEET

[www.sweetememories.com](http://www.sweetememories.com)

**Company Description:** Sweete Memories, a "Specialty bakery," offers confections of affection catering to the senses. Our beautiful gift baskets brim over with miniature loaves of tasty sweet breads, mouthwatering cookies and a scrumptious array of brownies and bars. When it's a special occasion, a business gift or simply saying "thinking of you", our unique gift baskets are the ideal expression. Local and nationwide delivery available.

**TWNkey Symbol:** MCNU

[www.mosaicnutracorp.com](http://www.mosaicnutracorp.com)

**Company Description:** Mosaic distributes a line of dietary supplement products focused on categories including osteoarthritis and associated pain, low-carbohydrate functional foods, cholesterol health, weight loss/appetite suppression, anti-aging and general wellness. Mosaic currently has trademark rights with respect to Joint-2-Life, 24/7 Instant Pain Relief topical rub, as well as several other products.

**TWNkey Symbol:** EGNX

[www.egenixinc.com](http://www.egenixinc.com)

**Company Description:** Egenix, Inc., is an R&D stage biotechnology company focused on cancer therapeutics and diagnostics. The company has three scientific platforms all based upon single chain bi-specific monoclonal antibodies: 1. novel ovarian cancer therapeutic, 2. ovarian cancer imaging agent and 3. new test for prostate cancer. Egenix expects to bring the diagnostic agents to market by 2008 and the therapeutic agent by 2010 in the U.S.
